

Willie Nelson, Faded Love

When I look at the letter that you wrote to me
It's you that I'm thinking of
As I read the lines that to me were so sweet
I remember our faded love

Chorus

I miss you darlin' more and more every day
As heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love

As I think of the past and all the pleasure we had,
As I watch the mating of a dove,
And it was in the springtime that we said goodbye.
I remember our faded love.

(Repeat Chorus)
