## Willie Nelson, Faded Love

When I look at the letter that you wrote to me It's you that I'm thinking of As I read the lines that to me were so sweet I remember our faded love

Chorus I miss you darlin' more and more every day As heaven would miss the stars above With every heartbeat I still think of you And remember our faded love

As I think of the past and all the pleasure we had, As I watch the mating of a dove, And it was in the springtime that we said goodbye. I remeber our faded love.

(Repeat Chorus)
