

# Willie Nelson, I Can't Help It (If I'm Still In Love With You)

Today, I passed you on the street,  
And my heart fell at your feet.  
An' I can't help it if I'm still in love with you.  
Somebody else stood by your side,  
And he looked so satisfied.  
An' I can't help it if I'm still in love with you.  
A picture from the past came slowly stealing,  
As I brushed your arm and walked so close to you.  
An', suddenly, I got that old time feeling:  
An' I can't help it if I'm still in love with you.

Instrumental break.

It's hard to know another's lips will kiss you,  
And hold you just the way I used to do.  
Heaven only knows how much I miss you:  
I can't help it if I'm still in love with you.

An' I can't help it if I'm still in love with you
