

# Willie Nelson, I'm Still Not Over You

No matter what's still not over you  
Today I made a point to go somewhere I knew you'd be  
I had to know if you still had the same affect on me  
And the moment that I saw you there I knew  
No matter what I do I'm still not over you  
I can't explain why seeing you affects my sanity  
But when I see you I become strange and differently  
And the moment that I saw you there I knew  
No matter what I do I'm still not over you  
I'm still not over you that feeling's still the same  
I'm still not over you I find that nothing's changed  
And perhaps some day I'll find somebody new  
But now it's much too soon I'm still not over you  
No matter what I do I'm still not over you
