Willie Nelson, I Still Can't Believe You're Gone

It's the very first day since you left me
And I tried to put my thoughts in a song
But all I can hear myself singin' is
I still can't believe you're gone
I still can't believe that you'd really leave me
What did I do was so wrong
There's just too many unanswered questions
And I still can't believe you're gone
But you're gone
And I'm alone
And I'm still livin'
I don't like it
But I'll take it till I'm strong
All I can hear myself singin' is
I still can't believe you're gone

(guitar)

You're gone
And I'm alone
And I'm still livin'
I don't like it
But I'll take it till I'm strong
All I can hear myself singin' is
I still can't believe you're gone
