

Willie Nelson, Invitation To The Blues

Couldn't sleep last night just walked the floor

Don't know how I'll stand this anymore

Lonely are the times since I lost you recieved your invitation to the blues

I don't know why you caused me such pain

I just hope I'll never go through this much again

Lonely me I don't know what to do recieved your invitation to the blues

(guitar)

You took the laughter from this world of mine thanks to you the sun will never shine

Lonesome me I don't know what to do recieved your invitation to the blues

I don't know why you caused me such pain

I just hope I'll never go through this much again

Well I'm so lonesome I don't know what to do recieved your invitation to the blues

Recieved your invitation to the blues
