

# Willie Nelson, Just Walkin' Out The Door

I was just walkin' out the door  
It's too bad you didn't come before  
I've waited so long, so long, so long  
Now there's no time to wait anymore

How I cried for you day and night  
For the letters that you wouldn't write  
But now it's alright, alright, alright  
You won't have to write anymore

Not so long ago you will never know  
What this day to me would have been  
But it's all changed now  
Darling, anyhow  
It was nice to see you again

Well, it's almost a quarter to four  
Sorry, I can't stay anymore  
I must be on my way  
It's my wedding day  
And I was just walkin' out the door

Well, it's almost a quarter to four  
Sorry, I can't stay anymore  
I must be on my way  
It's my wedding day  
And I was just walkin' out the door
