

Willie Nelson, Last Leaf

I'm the last leaf on the tree
The autumn took the rest
But it won't take me
I'm the last leaf on the tree

When the autumn wind blows
They're already gone
They flutter to the ground
They just can't hang on
When there's nothing in this world
That I ain't seen
I greet all the new ones
That are coming in green

I'm the last leaf on the tree
The autumn took the rest
But they won't take me
'Cause I'm the last leaf on the tree

They say I got staying power
Here on the tree
But I've been here since Eisenhower
And I've outlived even he

I'm the last leaf on the tree
The autumn took the rest
But they won't take me
I'm the last leaf on the tree

I fight off the snow
I fight off the hail
Nothing makes me go
I'm like some vestigial tail
I'll be here through eternity
If you wanna know how long
If they cut down this tree
I'll show up in a song

I'm the last leaf on the tree
The autumn took the rest
But they won't take me
I'm the last leaf on the tree
I'm the last leaf on the tree
I'm the last leaf on the tree
