

# Willie Nelson, Last Leaf

I'm the last leaf on the tree  
The autumn took the rest  
But it won't take me  
I'm the last leaf on the tree

When the autumn wind blows  
They're already gone  
They flutter to the ground  
They just can't hang on  
When there's nothing in this world  
That I ain't seen  
I greet all the new ones  
That are coming in green

I'm the last leaf on the tree  
The autumn took the rest  
But they won't take me  
'Cause I'm the last leaf on the tree

They say I got staying power  
Here on the tree  
But I've been here since Eisenhower  
And I've outlived even he

I'm the last leaf on the tree  
The autumn took the rest  
But they won't take me  
I'm the last leaf on the tree

I fight off the snow  
I fight off the hail  
Nothing makes me go  
I'm like some vestigial tail  
I'll be here through eternity  
If you wanna know how long  
If they cut down this tree  
I'll show up in a song

I'm the last leaf on the tree  
The autumn took the rest  
But they won't take me  
I'm the last leaf on the tree  
I'm the last leaf on the tree  
I'm the last leaf on the tree
