Willie Nelson, Lonely Street

I'm lookin' for that lonely street I've got a sad, sad tale to tell I need a place to go and weep Where's this place called lonely street?

A place where there's just loneliness Where dim lights bring forgetfulness Where broken dreams and memories meet Where's this place called lonely street?

Perhaps upon that lonely street There's someone such as I Who came to bury broken dreams And watch an old love die

If I could find that lonely street Where dim lights bring forgetfulness Broken dreams and mem'ries meet Where's this place called lonely street?

Perhaps upon that lonely street There's someone such as I Who came to bury broken dreams And watch an old love die

If I could find that lonely street Where dim lights bring forgetfulness Where broken dreams and mem'ries meet Where's this place called lonely street?
