

Willie Nelson, Lovin' Lies

I'll never understand, dear
As long as I live
I guess I will always wonder why
You told me that you loved me
With all of your heart
And then without a warning
Said goodbye
The lovin' lies that I believed
And now how I grieved
You didn't mean it from the start
And you told me lovin' lies
And broke my heart

(steel)

You say I'll soon forget you
And find someone new
But, darlin' now how wrong you are
I only had one love, dear
And that was for you
And from that love my heart
Will bear to start
The lovin' lies that I believed...
So you told me your lovin' lies
And broke my heart
