

Willie Nelson, Making Believe

I'm making believe that you still love me and it's leaving me alone and so blue
I'll always dream but I'll never own you I'll keep loving you and making believe
I can't hold you close darling when you're not with me
You're somebody's love now and you'll never be mine
I'll always dream but I'll never own you I'll keep loving you and making believe
(steel)
I'm making believe...
