

# Willie Nelson, Moonlight Becomes You

Moonlight becomes you  
It goes with your hair  
You certainly know  
The right thing to wear  
Moonlight becomes you  
And I'm thrilled at the sight  
And we could get  
So romantic tonight  
You're all dressed up  
To go dreaming now  
Don't tell me I'm wrong  
And what a night  
To go dreaming  
Mind if I tag along  
Moonlight becomes you  
And I want you to know  
It's not just because  
There's moonlight  
Although moonlight becomes you so

( piano - guitar )

Moonlight becomes you...
