

# Willie Nelson, One Time Too Many

A one, two, three, two, two three.

I let love die, broke a woman's heart  
Have only myself to blame  
Fate ran its course, I suffered a loss  
I learned a lesson in pain  
I cheated and lied, I took love for granted.  
Acting as cold as ice  
But it's all in the past  
I won't make the same mistake twice

Once is enough  
It's one time too many  
Change is rough  
Ooo once is enough

Love went through such a sudden change,  
Takin' a turn for the worst  
Joy turned to fear, the pain got so severe  
Lord, I thought I was cursed.  
You get what you give, it comes 'round full circle  
Ooo and I paid the price  
I lost love so fast  
I won't make the same mistake twice.

Brrrr Hoo!

I let love die, broke a woman's heart  
And only myself to blame  
Fate ran its course, I suffered a loss  
Learned a lesson in pain  
I cheated and lied, and took it all for granted  
Acting as cold as ice  
But it's all in the past  
I won't make the same mistake twice

Once is enough  
It's one time too many  
The change is rough  
Ooo once is enough

Love went through such a sudden change,  
Takin' a turn for the worst  
Joy turned to fear, the pain got so dear  
Lord, I thought I was cursed.  
You get what you give, it comes around full circle  
Ooo and I paid the price  
I lost love so fast  
I won't make the same mistake twice.

Once is enough  
It's one time too many  
The change is rough  
Ooo once is enough

Guitar, Yow!

I cheated and lied, and took it all for granted  
Acting as cold as ice  
But it's all in the past  
I won't make the same mistake twice

Once is enough  
It's one time too many

The change is rough  
Ooo once is enough

One more time!

Once is enough  
It's one time too many  
The change is rough  
Ooo once is enough

Aye yeah!  
The change is rough  
Ooo once is enough

Yeah yeah!  
The change is rough  
Ooo Once is enough

Yeah!

Yes!
