

Willie Nelson & Ray Charles, Seven Spanish Angels

(RAY)

He looked down into her brown eyes
And said "Say a prayer for me"
She threw her arms around him,
Whispered "God will keep us free"
They could hear the riders coming,
He said "This is my last fight
If they take me back to Texas,
they won't take me back alive"

CHORUS:

There were Seven Spanish Angels
at the alter of the sun,
They were praying for the lovers
in the valley of the gun
When the battle stopped, and the smoke cleared,
There was thunder from the throne,
And Seven Spanish Angles,
Took another angel home.

(WILLIE)

She reached down and picked the gun up,
That lay smoking in his hands.
She said "Father, please forgive me,
I can't make it without my man"
And she knew the gun was empty,
And she knew she couldn't win.
Her final prayer was answered
When the rifles fired again.
