

Willie Nelson, Suffer In Silence

I think I should speak to you stranger your problem is clear now to me
You think that the whole world's against you and tell everyone that you see
Just suffer in silence speak no bitter words the world offers no sympathy
Though trouble surrounds you and you long to be heard just suffer in silence like me

I'll give you a lesson in living I hope it stays with you awhile
You're the reason for all of your sorrows so just suffer in silence and smile
Suffer in silence speak...
