Willie Nelson, Suspicious Minds

We're caught in a trap I can't walk out Because I love you too much baby Why can't you see What you're doing to me When you don't believe a word I'm saying We can't go on together With suspicious minds We can't build our dreams On suspicious minds

I saw an old friend I know I stopped to say hello But I could still see suspicion in your eyes Here we go again Ask me where I've been You can't see the tears are real I'm crying We can't go on together With suspicious minds We can't build our dreams On suspicious minds

Let our love survive I'll dry the tears from your eyes Don't let a good thing die Don't you know I've never lied to you

We're caught in a trap Can't walk out Because I love you too much baby Why can't you see What you've been doing to me When you don't believe a word I'm saying Caught in a trap Can't walk out Because I love you too much baby Caught in a trap Can't walk out Because I love you too much baby Caught in a trap Can't walk out Because I love you too much baby
