

# Willie Nelson, That's Why I Love Her So

The quiet way she sits there with her hand in mine  
That's why I love her so that's why I love her so  
And the way she's always tender with my mind  
That's why I love her so that's why I love her so  
In a crowded room you'll never know she's there  
Unless I need her and if I really need her  
She'll gladly tell the world how much she cares  
That's why I love her so that's why I love her so

( guitar )

In a crowded room...  
That's why I love her so that's why I love her so
