

# Willie Nelson, Touch Me

Touch me, touch the hand of a man  
Who once owned all the world  
And touch, me touch the arms  
That once held all the charms  
Of the world's sweetest girl  
Touch me, maybe someday you may  
Need to know how it feels when you lose  
And so touch me, you'll know  
How you feel with the blues

Watch me, watch the eyes  
That have seen all the heartache  
And pain in the land  
And be thankful you're happy though  
Standing so close to the world's bluest man  
Don't forget me, take a good look  
At someone who's lost everything he can lose  
And then touch me and you'll know  
How you'd feel with the blues

( guitar )

Don't forget me take a good look...
