

Willie Nelson, Why Baby Why

Tell me why baby why baby why baby why
You make me cry baby cry baby cry baby cry
You know that I'll love you till the day that I die
So tell me why baby why baby why baby why

Well I got a crow I want to pick with you
Just like last time when the feathers flew
You're runnin' wild a kickin' uo your heels
And leavin' me home with a handful of bills
Tell me why baby why...

(guitar)

Well now I don't know but I've heard you say
That every little dog's a gonna have his day
You better pay attention don't you dare forget
Cause I'm just a little baby puppy yet

Tell me why baby why...

Tell me why baby why...

(guitar)

You know that I'll love you till the day that I die
So tell me why baby why baby why baby why
