

# Willie Nelson, Wild Side Of Life

You wouldn't read my letter if I wrote you  
And you asked me not to call you on the phone  
There's something that I've been wanting to tell you  
So I wrote it in the words of this song  
I didn't know God made honky tonk angels  
I might have known you'd never make a wife  
You gave up the only one who ever loved you  
And went back to the wild side of life

( guitar )

The glamour of the gay night life has lured you  
To the places where the wine and liquor flow  
Where you wait to be anybody's darling  
And forget the truest love you'll ever know  
I didn't know God made...  
And went back to the wild side of life
