Willie Nelson, Yesterday's Wine

Miracles appear In the strangest of places Fancy meeting you here The last time I saw you Was just out of Houston Sit down let me buy you a beer Your presence is welcome With me and my friend here This is a hangout of mine We come here quite often And listen to music Partaking of yesterday's wine Yesterday's wine I'm yesterday's wine Aging with time Like vesterday's wine Yesterday's wine We're yesterday's wine Aging with time Like yesterday's wine

You give the appearence Of one widely travelled I'll bet you've seen Things in your time So sit down beside me And tell me your story If you think You'll like yesterday's wine Yesterday's wine We're yesterday's wine Aging with time Like yesterday's wine

(guitar)

Yesterday's wine We're yesterday's wine Aging with time Like yesterday's wine
