

Willie Nelson, You're Not Mine Anymore

You're not mine anymore but I'm still paying for
Just a note from you to say you've changed your mind
Now I know you say we're through but I'm still in love with you
And it's my fault that you're not mine anymore
If you don't ever change your mind to take me back again
I hope you meet someone that's true and fall in love with him
Since the day you said we're through I'm even more in love with you
And it's my fault that you're not mine anymore
(steel - guitar)
If you don't ever change your mind...
