

WILLOW, wanted feat. kamasi washington

oh what am i
to you
oh what am i
to you
oh what am i
to you
i can't lie
i tried
not to feel this like
i do
it's true
i hate to wonder
what am i
to you
i hate to wonder
what am i

i wanted to run
i wanted to go
but then i think back
the day that i said
that this what i wanted
i wanted to run
i wanted to go
but then i think back
the day that i said
enchanted
amazing
i'm infatuated
i fall from the stage
and then into debasement
my love
my love
enchanted
amazing
i'm infatuated
i fall from the stage
and then out of your grace
i wanted to run
i wanted to go
but then i think back
the day that i said
that this what i wanted
i wanted to run
i wanted to go
but then i think back
the day that i said
i wanted to run
i wanted to go
but then i think back
the day that i said
that this what i wanted
i wanted to run
i wanted to go
but then i think back
the day that i said
i wanted x 4
enchanted
amazing
i want to be infatuated
look in my mind
look in my mind
i'm not fine
i need to process this shit

in my life
i feel there's not much time
i want to figure it out
i'm alright
i don't think i
wanted to run
i wanted to go
but then i think back
the day that i said
that this what i wanted
wanted to run
i wanted to go
but then i think back
the day that i said
is this what i wanted
is this what i wanted
is this what i thought i wanted
is this what i thought i wanted
i wanted x 4
