Wilshire, Over My Head

Everything that used to be clear to me seems wrong
Nothing seems to be in its place my reality is gone
And now I feel i'm falling under

(chorus)
Ba ba ba ba
And I dont have the words to say
Just how I feel about you
Cause it's over my head

Sometimes I wonder
Where I begin and end
You breathe into me
The circle's always been
I can't believe whats happening
I lose myself in you
I wish that I could tell you what I'm feeling

Ba ba ba ba
And i dont have the words to say
Just how I'm feel about you
Cause it's over my head

Now that you know we won't pretend
Pretend that it's easy
I stil don't know know what lies ahead
I just want you with me
I'm not afraid to fall if you tell me that you'll always be near me

Chorus
