

Wilson Gonzalez, I'm Fallin'

I'm in the spotlight
I'm part of the monkey business
They used to control me like a robot
They're causing me trouble
Making things complicated
But you won't get me frustrated
'Cause I don't care what people say
I'm movin' in my own way
Woh oh oh oh oh
Woh oh oh oh oh
Woh oh oh oh oh
When you're talking
I'm falling into
Woh oh oh oh oh
Woh oh oh oh oh
Woh oh oh oh oh
When you're talking
I'm falling into sleep
Could be so easy
Without confusing dose of life
Stop asking questions
I'm not listening
Do me a favour
Give me some space
To breathe myself
I'm fed up
With early morning wake-ups
'Cause I don't care what people say
I'm movin' in my own way
I'm getting rid of all your press
I'm getting rid of you
Woh oh oh oh oh
Woh oh oh oh oh
Woh oh oh oh oh
When you're talking
I'm falling into
Woh oh oh oh oh
Woh oh oh oh oh
Woh oh oh oh oh
When you're talking
I'm falling into sleep
Can you hear me?
I'm not listening
When you're talking
I'm falling into sleep
Woh oh oh oh oh
Woh oh oh oh oh
Woh oh oh oh oh
When you're talking
I'm falling into
Woh oh oh oh oh
Woh oh oh oh oh
Woh oh oh oh oh
When you're talking
I'm falling into sleep
