

Wilson Phillips, Naked And Sacred

When I'm with you
I feel naked and sacred
And this world can be so cold
I wanna hold you naked
And sacred til I grow old

What does love mean?
Can love last?
I ask myself these questions
Haunted by the past

I walked these city streets
I've known vict'ries and defeats
Searching, hoping
Just barely coping

Baby I wanna be good for you
I wanna be true
Don't know how I'd live with myself
If I ever hurt you

When I'm with you
I feel naked and sacred
And this world can be so cold
I wanna hold you naked
And sacred til I grow old

Since I met you
My life's change
I feel like a bird
Being let out of its cage

Baby, I wanna be good for you
I wanna be true
Don't know how I'd live with myself
If I ever hurt you

When I'm with you
I feel naked and sacred
And this world can be so cold
I wanna hold you naked
And sacred til I grow old

Naked and sacred
Naked sacred

Your hands are healing me
Your loves filling me
When you go away
Your heart's still in me

Naked and sacred
And this world can be so cold
I wanna hold you naked,
Sacred til I grow old

When I'm with you
I feel naked and sacred
Next to your heart of gold
I wanna hold you naked
And sacred til I grow old
