

Wilson Wilson, Forever's Not Enough

If I would have to live my life again
I'd stay In love in love with you the way I' ve been
Your love is something no one ever can replace
I can't imagine life with someone else

I promise I will share my life with you
Forever may not be enough it's true
My heart is filled with so much love I feel for you
No words can say how much I love you so

Chorus:

And If forever's not enough for me to love you
I'd spent another lifetime, Baby if you asked me to
There's nothing i won't do forever's not enough for me to love you so

They say tomorrow seems so far away
And now we see that everything can change
My love for you gets stronger as tomorrow comes
I know this time will stand the test of time

And If forever's not enough for me to love you
I'd spent another lifetime, Baby if you asked me to
There's nothing i won't do forever's not enough for me to love you so

Bridge:

For you there's nothing I can't do
And never will I ever go
Forever's not enough to love you so
But If forever ends one day
I promise you would stay
To show you that my love will never end

And If forever's not enough for me to love you
I'd spent another lifetime, Baby if you asked me to
There's nothing i won't do forever's not enough to love you so

And If forever's not enough for me to love you
I'd spent another lifetime, Baby if you asked me to
There's nothing i won't do forever's not enough for me to love you so
