

Winans Phase 2, Let Him In

Sweet as he can be
Said he's been so kind to me
I'm not speaking of carnality
It's a spiritual thing that set me free
He's making love to my heart
And it's deeper than they eye can see
I'm here to let you know he's knocking at your door & let him in

Chorus:

Let him in

Let him in

Let him in say

Let him in

I love the way he talks to me

Yes my Father even walks with me

Said he keeps my mind in perfect peace

Into my ear he sings a melody

He's making love to my heart

And it's deeper than the eye can see

'Cause he has so much more

Don't ignore & let him in

Chorus:

Let him in

Let him in

Let him in

Let him in

(Open up your heart, learn to let him in)

Let him in

Ooh, I'm so happy

Nothing can harm me

Open your heart please

So he can see what is wrong

And he can make it right & let him in

Chorus:

Let him in

Let him in

(He'll solve all your problems)

(But you've got to let him in)

Let him in

And he'll make love to your heart

And it's deeper than the eye can see

Just try him and you'll see

Let him in

(If you need joy)

Let him in

He makes love to my heart

Jesus make me happy

Let him make love to your heart

Let him in
