

# Winans Phase 2, Who Do You Love?

Love rules everything around me  
The dream and the money set my mind back to contracts  
Women with much back trying to trap the sac  
But no way cutie you just another booby  
God's much better than mad cheddar in Jamaica  
Give you whatever and more paper than you could ever scrapa  
But it ain't enough when you roll with scrubs  
Yo Black, what you lack is divine love

Chorus:

Who do you love? (what do I have to do)  
Are you for sure? (I'm the reason the sky is blue)  
Who do you love? (what do I have to give)  
Are you for sure? (I'm the source that you might live)  
Who do you love? (what do I have to say)  
Are you for sure? (I'm the sun that lights the day)  
Who do you love? (is it me?)  
Is it me or nobody?  
You caught my attention but why?  
Rescued my destruction in time

Requested my submission to Christ  
But I gave you rebellion's side

Chorus

My pride won't ever let me cry  
But manhood doesn't get me by  
Waging races against time  
in my mind

Chorus

I'm runnin', mad peeps got my rays cunnin'  
Ain't it stunnin', kids out getting blunted  
Now wait a minute don't you try to blame that on the youth  
What you go let them believe whatever their ears receive  
Now school 'em, what they should be learnin' is bites  
And hurts of puttin' Christ first instead of fights that hurt  
Come on team, your cream is secondary  
Your soul is legendary, put it back in your dictionary.

Chorus
