

# Wind Walkers, The Overlook

Pays to feel safe  
Within these walls where the future stalls  
I've replaced my mistakes  
I don't fit in  
But I'm right where I belong

I hear voices calling me up  
I hear them speaking they're speaking  
They're calling out and their saying my name  
And I'm all that they want  
I hear the blood coursing through my veins  
And now I know we're the same  
They're calling me up  
I hear them speaking they're speaking  
They're calling me out and they're saying my name  
And I'm all that they want  
I hear blood coursing through my veins  
And now I know I'm insane

I swallowed my demons  
They're tearing me up inside  
Shine through me shine  
To the edge of my mind  
To the edge of my mind

Take the hollow  
Fill me up with constant lies  
Press it in  
Precedence, I'm home  
Do you feel like losing yourself  
Withing these walls  
Well, I've lost it long ago

They're calling me up  
I hear them speaking they're speaking  
They're calling me out and they're saying my name  
And I'm all that they want  
I hear blood coursing through my veins  
And now I know I'm insane

I swallowed my demons  
They're tearing me up inside  
Shine through me shine  
To the edge of my mind

You, I've been dreaming of you  
I've been dreaming of this moment  
And the things I would do  
Room by room  
I am consumed  
Put up a fight  
Found God in the window  
In the middle of the night  
Room by room  
I am consumed

I swallowed my demons  
They're tearing me up inside  
Shine through me shine  
To the edge of my mind  
I swallowed my demons  
They're tearing me up  
Shine through me shine  
To the edge of my mind

To the edge of my mind
