

# Wings, Ive Had Enough

Give Ireland back to the Irish  
don't make them have to take it away  
give Ireland back to the Irish  
make Ireland Irish today.

Great Britain you are tremendous  
and nobody knows like me  
but really what are we doing  
in the land across the sea.

Tell me how would you like it  
if on your way to work  
you were stopped by Irish soldiers  
would you lie down do nothing  
would you give in  
go berserk.

Give Ireland back...

Great Britain and all the people  
said that people must be free  
and meanwhile back in Ireland  
there's a man who looks like me  
and he dreams of God and country  
and he's feeling really down  
and he's sitting in a prison  
say

should he lie down do nothing  
should he be have like a man.  
Give Ireland back...
