

Wings, Must Do Something About It

Ive just seen another sunset on my own
All day long Ive been alone
And I must do something about it
Yes, I must do something about it

Played another losing card game with myself
Lonely joker on the shelf
And I must do something about it
Yes, I must do something about it

No one on the party line, no one seems to need a dime
No one even knows that Im feeling this way
No one seems to need my vote, no one has to change a note
No one here to hold my coat, oh what a day

Ive just watched another movie on TV
No one's in the house but me
And I must do something about it
Yes, I must do something about it
Oh, oh, something about it

Ive just dialed another number on my phone
All day long Ive been alone
And I must do something about it
Yes, I must do something about it

Ive just seen another sunset on my own
All day long Ive been alone
And I must do something about it
Yes, I must do something about it

Must do something about it
Yes, I must do something about it
