

# Wings, Some People Never Know

No one else will ever see  
How much faith you have in me  
Only fools would disagree that it's so:  
Some people never know.

Like a fool, I'm far away  
Ev'ry night, I hope and pray  
I'll be coming home to stay and it's so:  
Some people never know.

Some people can't sleep at nighttime,  
Believing that love is a lie.  
I'm only a person like you, Love,  
And who in the world can be right all the right times?  
I know I was wrong, make me right, right.

Only love can stand the test  
Only you'll outshine the rest  
Only fools take second best, and it's so:  
Some people never know.
