

Wings, Some People Never Know

No one else will ever see
How much faith you have in me
Only fools would disagree that it's so:
Some people never know.

Like a fool, I'm far away
Ev'ry night, I hope and pray
I'll be coming home to stay and it's so:
Some people never know.

Some people can't sleep at nighttime,
Believing that love is a lie.
I'm only a person like you, Love,
And who in the world can be right all the right times?
I know I was wrong, make me right, right.

Only love can stand the test
Only you'll outshine the rest
Only fools take second best, and it's so:
Some people never know.
