

Wings, Time To Hide

If I have to run, Im not running out on you
If I have to shake a little sand out of my shoes
Im running from the law or they'll put me inside
Baby, won't you let me have a little time to hide?
Baby, won't you let me have a little time to hide?

Ive been on the run since the good Lord knows when
And the day I die, Ill still be running then
Running from the days when I would lay me down and cry
Baby, won't you let me have a little time to hide?
Baby, won't you let me have a little time to hide?

Will I love you tomorrow?
"(Yes, I will)" my love, "(yes, I will)" my love
Will I beg, steal or borrow?
Yes, I will "(my love)", yes, I will, "(my love)"

To spend a little time happy to be by your side
Baby, won't you let me have a little time to hide?
Baby, won't you let me have a little time to hide?

Baby, won't you let me have a little time to hide?

If I have to run, Im not running out on you "(runnin' out on you)"
If I have to shake a little sand out of my shoes "(sand in my shoes)"
Im running from the law or they'll put me inside
Baby, won't you let me have a little time to hide?
Ooh, baby, won't you let me have a little time to hide?

Baby, won't you let me have a little time?
Baby, won't you let me have a little time?
Baby, won't you let me have a little time to hide?
