

# Winter, Servants Of The Warsmen

Rise

Dark shadows and expectations  
Defiance unspoken truth  
Doom-filled ignorance and lust  
Betrayal of sacred prophecies

Invasion of hurts  
Penetration of Sensitivity  
What are my secret fears  
Red is rain of tears

Come back dear dreams  
Tales untold  
Endless sleep  
Servant of the warsmen

Rise

Screams of passion through the dark  
Ignored by pain and suffering  
Gloomy paths decorate the walls of darkness  
Burning hate  
Flesh  
Heavenlight  
Nevermore  
Rising conqueror  
Forbidden truth  
Sanctify my fortress

Come back dear dreams  
Tales untold  
Endless sleep  
Servant of the warsmen

Rise
