

# Wintergreen, Hard To Be Cool

Maybe they all think youre crazy  
No one knows you like I do  
You made it all look so easy

Its hard to be cool  
Enough to stay alone  
And nothin' ever gets you going

You made it all look so easy  
Yeah you made it always seem like nothing ever changed

You made it all look so easy  
Yeah you made it always seem like nothing ever changed
