

Wire, Mekon Headman

Mekon Headman
Combed Camp Delta
Down the path
Of no return
Refused demands to
Pay at gunpoint
A loco trio's
Doorstep plan

Please let me
Help you remember
Your memory's shot
You've lost the plot
Please reveal
Your whole agenda
Your time is up
(You fin' crumb)

The windshield holds up
On my auto
After a freeway
Bridge attack
Surgeon General's
Package warning
If you persist
Your time is up!
