

Wise Guys, Goldeneye

See reflections on the water,
more than darkness in the depths.
See him surface in every shadow,
on the wind I feel his breath.

GoldenEye, I've found his weakness,
GoldenEye will do what I please.
GoldenEye, no time for sweetness,
but a bitter kiss will bring him to his knees.

You'll never know how I watched you from the shadows as a child.
You'll never know how it feels to be the one who's left behind.
You'll never know the days, the nights, the tears, the tears I cried,
but now my time has come, and time, time is not on your side!

See him move through smoke and mirrors,
Feel his presence in the crowd.
Other girls, they gather around him,
If I had him, I wouldn't let him out.

GoldenEye, white lace for leather,
Golden chain, take him to the spot.
GoldenEye, I'll show him forever,
it'll take forever to see what I've got.

You'll never know how I watched you from the shadows as a child.
You'll never know how it feels to get so close and be denied.
It's a gold and honey trap I've go for you tonight,
revenge, it's a kiss, this time I won't miss, now I've got you in my sight...

With a GoldenEye
