

# Wishing Chair And Kara Barnard, Beautiful Soul

I want to decipher the language you speak  
Touches so sweet in the dark  
Teach me to love you  
Show me the way  
To open the door of your heart  
Feed me your magic  
Naked and wise  
Speaking in kisses  
The song of your eyes

I'm calling out your name (beautiful)  
Call it like a prayer (beautiful)  
My beautiful, beautiful soul (beautiful soul)  
We will never tame (beautiful)  
All the wildness there (beautiful)  
My beautiful, beautiful soul

The curve of your shoulders  
Your lips on my neck  
Slowly we two become one  
Blossoming petals  
The salt taste of sea  
Higher and higher and higher  
Higher my love

I'm calling out your name (beautiful)  
Call it like a prayer (beautiful)  
My beautiful, beautiful soul (beautiful soul)  
We will never tame (beautiful)  
All the wildness there (beautiful)  
My beautiful, beautiful soul

I'm calling out your name (beautiful)  
Call it like a prayer (beautiful)  
My beautiful, beautiful soul (beautiful soul)  
We will never tame (beautiful)  
All the wildness there (beautiful)  
My beautiful, beautiful, beautiful, beautiful

Sleeping so softly in white cotton sheets  
Deep in this madness of stars  
Tears for the holy joy of this dream  
The miracle spirit that you are

I'm calling out your name (beautiful)  
Call it like a prayer (beautiful)  
My beautiful, beautiful soul (beautiful soul)  
We will never tame (beautiful)  
All the wildness there (beautiful)  
My beautiful, beautiful  
Beautiful soul
