

# Wishing Chair, You're the One

Lying here thinking in that traitorous dark  
All I can think about is you  
It's kind of funny, a sad way to start  
All this sneaking round  
It just brings us down but  
It's OK  
We will find a way  
Sometimes you just gotta stand and say

You're the only one that I want  
You're the only one that I need  
I can see you walking right beside me  
Sometimes baby  
You just got to believe

It's too quiet  
This ticking clock  
Laughing at me waisting time  
Been holding out for a miracle  
And I know that you are mine but  
It's OK  
We will find a way  
Sometimes you just gotta stand and say

You're the only one that I want  
You're the only one that I need  
I can see you walking right beside me  
Sometimes baby  
You just got to believe

It's as clear as the summer sky  
Bright and staring at the sun  
I can see it right before my eyes saying  
You're the one  
You're the one  
You're the one

I'm sitting here in this Wishing Chair  
My heart is spinning like a top  
Been picking daisies three at a time  
Does she love me, loves me not  
It's OK  
We will find a way  
Sometimes you just gotta stand and say

You're the only one that I want  
You're the only one that I need  
I can see you walking right beside me  
Sometimes baby  
You just got to believe

You're the only one that I want  
You're the only one that I need  
I can see you walking right beside me  
Sometimes baby  
You just got to believe  
Sometimes baby  
You just got to believe  
Sometimes baby  
You just got to  
Believe
