

Witchery, The Storm

Stand back and behold the wrath
The eye of the storm second to none
Magnificent power supreme
Gracing the skies and trembling the ground

(Chorus:)
Deleted horizon
Earth torn to shreds
Diabolical storm of the end

Rushing forth a blackened wall
A whirlwind of anger God save us all
It's the sign of the southern cross
Ashes to dust - Ashes to dust

(Pre-Chorus:)
A wind with sulfuric debris
Blows hard
Rages violently

(Chorus)

(Chorus)

The Storm
The Storm
The Storm
