

Within Temptation, And We Run (ft. Xzibit)

t burns into your heart, the darkness that you fear.
You were never free, and you never realized.
And love is a word you've never heard.
Your heart is cold cause it burns,
the desire to leave the mind.

Take your breath 'til nothing's left.
Stars of life upon your chest.
And I know you wherever you go.

And we run 'til we've had enough.
And we run for this killing love.
And we run, tell me how to run.
And we run 'til we break down.
And we run 'til we fall apart.
And we run til we've had enough.

Don't blink, you'll miss it.
Lift up your head.
We gotta get gone.
Yeah, we outta here.
Don't blink, you'll miss it.
Lift up your head.
Too late, we gone.
Yeah, we outta here.

And we run 'til we've had enough.
And we run for this killing love.
And we run, far ahead we go.

I'ma break these chains, ran through the rain.
Never looked back, never quit, worked through the pain.
This blood in my veins run cold when I hate.
Give enough to keep sane but I never lose hope.
This is my time now, no time for tears to celebrate.
Put it in the air right now.
Never back down, you'll never wear my crown cause it weighs too much and I crush every motherf
This is what I've never loved so much.
Get involved what's the worst stand up.
Here my mic before I ever get far.
Man in lights, you lost all my trust.
Now it's time to face all of us.
Get in line just to spar with us.
And it feels so far from us,
just take my hand and run.

And we run 'til we've had enough.
And we run for this killing love.
And we run, tell me how it's enough.
And we run 'til we break down.
And we run 'til we fall apart.
And we run 'til we've had enough.

Yeah, we out of here.

Don't blink, you'll miss it.
Lift up your head.
We gotta get gone.
Yeah, we outta here.
Don't blink, you'll miss it.
Lift up your head.
Too late, we gone.
Yeah, we outta here.

And we run 'til we've had enough.
And we run for this killing love.

Don't blink, you'll miss it.
Lift up your head.
We gotta get gone.
Yeah, we outta here.
Don't blink, you'll miss it.
Lift up your head.
Too late, we gone.
Yeah, we outta here.
