

Within Temptation, Forsaken

Now the day has come
We are forsaken this time
We lived our lives in our paradise
as gods we shaped the world around
no warning lights - we stay behind
the balance is something fragile
but we thought we were gaining
we turn back the time, it's just slipped away
our time has run out
our future has done
there's no more escape!!!
Now the day has come
we are forsaken
there's no time anymore
Life will pass us by
we are forsaken
We're the last of our kind.
The sacrifice was much too high
our griff just made us all go blind
we try to hide, what we fear inside
today is the end of tomorrow
As the seas started rising
the land that we'd conquerd just washed away
although we all have tried to turn back the time
it was our faith!!!
Now the day has come
we are forsaken
there's no time anymore
Life will pass us by
we are forsaken
only rules stay behind
Now the day has come
we are forsaken this time
Now the day has come
We are forsaken
there's no time anymore
now the day has come,
the day has come,
the day has come...
