

# Within Temptation, Ice Queen (Black Symphony)

When leaves have fallen  
And skies turned to grey.  
The night keeps on closing in on the day  
A nightingale sings her song of farewell  
You better hide from her freezing hell

On cold wings she's coming  
You better keep moving  
For warmth, you'll be longing  
Any day.  
Come on just feel it  
Don't you see it?  
You better believe.

When she embraces  
Your heart turns to stone  
She comes at night when you're all alone  
And when she whispers  
Your blood shall run cold  
You better hide before she finds you

Whenever she is raging  
She takes all life away  
Haven't you seen?  
Haven't you seen?  
The ruins of our world.

Whenever she is raging  
She takes all life away  
Haven't you seen?  
Haven't you seen?  
The ruins of our world?

She covers the earth with a breathtaking cloak  
The sun awakes and melts it away  
The world now opens its eyes and sees  
The dawning of a new day

On cold wings she's coming  
You better keep moving  
For warmth, you'll be longing  
Any day.  
Come on just feel it  
Don't you see it?  
You better believe.

Whenever she is raging  
She takes life away  
Haven't you seen?  
Haven't you seen?  
The ruins of our world

Whenever she is raging  
She takes life away  
Haven't you seen?  
Haven't you seen?  
The ruins of our world
