Within Temptation, Raise Your Banner (feat. And

Blood for freedom

You're pushing me to the corner Don't fight with me, don't fight with me, don't fight with me I'm crowning no man for his armour or rhapsody For what I see and what I feel

Wake up I'm defying you, seeing right through you Once I believed in you Wake up Feel what's coming deep within we all know Blood for freedom

So raise your banner, fight your war Break the silence, no remorse Won't die within Raise your banner, won't you come Fight the venom, the good die young Won't die within

I'm feeling the eyes of the fallen, they're watching me They make me see, they make me see I'm feeling the pain how you break them and make them bleed You make them bleed, you make them bleed

Wake up I'm defying you, seeing right through you Once I believed in you Wake up Feel what's coming deep within we all know

The way that you torment me
The way that you challenge me
The way that you make me bleed
Blood for freedom

So raise your banner, fight your war Break the silence, no remorse Won't die within Raise your banner, won't you come Fight the venom, the good die young Won't die within

Blood for freedom

So raise your banner, fight your war Break the silence, no remorse Won't die within Blood for freedom Raise your banner, won't you come Fight the venom, the good die young Won't die within

When gods are falling
They put all heaven in rage
We're on our own
Our tears keep falling
They're setting fire to the flame
Blood for freedom
