When I pulled off the lot, that's stunting
Repping my town when you see me you know everything
Black and yellow, black and yellow, black and yellow, black and yellow
I put it down from the whip to my diamonds, I'm in
Black and yellow, black and yellow, black and yellow, black and yellow

Black and yellow bitches all around me, yeah I dig
In their purse, gotta get that reimburse
On the bills and that purple pint of syrup

And I stay Louis'd down to the socks

And them niggas hating on us get our best wishes
In the club you ain't even on the guest list bitch

Go to sleep rich and count another million when I wake up
They wondering how I do my thang
