

# Wiz Khalifa, Captain

Uh  
One shot, two shots  
I done mixed McQueen with the Blue Dot  
Thug life, 2Pac  
Smoke me a J' on the roof top  
Champagne, campaign  
Spend a whole day on a airplane  
Barely get my team on the airplane  
Barely get my luggage on the airplane  
Looking at me like Captain  
They treat me, like Captain  
Know where I'm goin' like Captain  
Show up when I want like Captain  
Everywhere I go I'm a Captain  
Everywhere I go I'm a Captain  
Everywhere I go I'm a Captain  
Everywhere I go I'm a Captain

Uh  
What's happenin? What's happenin?  
I can hit the trap make it back-flip  
What's happenin? What's happenin?  
I done made a million, off rappin'  
What's happenin? What's happenin?  
I could fuck ya bitch, no cappin'  
Niggas think they real til they lackin'  
You ain't gettin' money 'less you stackin'  
Niggas hate me I imagine  
No I don't do shit average  
In a minute I'ma get shit smackin'  
Upfront we ain't dealing with no back end  
What's happenin? What's happenin?  
All these niggas really care about is fashion  
Don't even ask to hit the weed, you ain't matchin'  
How they gang? Is the question that I'm askin'
