

Wiz Khalifa, Gold Bottles

Yeah, yeah
We still in the mix (Statik Selektah)
We got that Wiz Khalifa
We got that McQueen
We got that Taylor Gang
It's all coming up next
Yeah, yup
Stay lit

Get out the gold bottles, cars, got old models
Girls, keep 'em in bunches, learn to roll with the punches
Buy anything that I want, would rather save up
Paper phasers is what they labeled us
Twelve whips plus, but this one is my favorite
Cooled up, playing my latest shit
Your girl tired of curated playlists
Nothing else to say, but let's get paid
We ain't promised tomorrow, so we live today
Different stroke, same weed, rolled in a J
Another tour planned, slave to make a million dollars on a stage
Stick to the script, we on the same page
And if I ain't do it yet, then you can bet
More diamond chains, Porsches, and Corvettes
Pullin' up to the set, get nothing but respect
Niggas fuck with the gang and love the Jets
Been around the world for the checks
This ain't checkers, it's chess
You better make your best move next

Every day, every day
Every day is a better day
And it's all love, it's all love (Okay)

FaceTimes from the homie
Saying I'm doing a great job
When you thoroughbred, it ain't hard
Do more than just play the cards
My son future what I'm saving for
Me falling off, shit that's what they banking on
That ain't really rapper weed, you just think it's strong
She ain't really in your corner, you just think she yours
Several floors, you can smell the kush through the door
Raise generations, we don't need awards
Ain't doing red carpets no more
Just send my shit straight to the crib if I win
Lately, I been going in, customizing rims
Hittin' up models that's slim
Who ride and say they wan' come get high again
Sliding in a Benz
A hundred million dollars, I been trying since a kid
There ain't no KK on it, I ain't flying in it then
Gotta represent, new residents
Never hesitant, dead presidents

Every day, every day
Every day is a better day
And it's all love, it's all love
Every day, every day
Every day is a better day
And it's all love, it's all love

Like I said y'all, it's going down, W-E-E-D
Shout out to Wiz Khalifa, man
He's in town tonight and he's got a special guest with him

He's bringing the Khalifa Kush with him as well
And um, speaking of Khalifa Kush
I heard Wiz has an Oreo commercial
Featuring his own son Sebastian
And we actually got Sebastian on the line right now
That's right, Wiz Khalifa's six year old son Sebastian is on the line right now
Sebastian, what do you wanna hear?
Some player shit
